Pre-Training Review (PTR)

The Pre-Training Review (PTR) is conducted prior to enrolment in your course of studies to ensure that the training and assessment provided by the International Institute of Training (IIT) can meet the student's individual needs.

Before we make an offer, IIT is required to review the student's current competencies, student needs, English level, *digital literacy, support requirements and oral communication skills, to enrol them in the most appropriate course to achieve their intended outcomes.

* As part of this review, you will be required to complete a Language, Literacy, Numeracy, and Digital (LLND) skills assessment. This assessment helps IIT determine whether you have the entry level skills required for your chosen course and if any additional support or reasonable adjustments are needed to assist you in achieving your learning goals.

If the LLND assessment identifies any areas where support is needed such as difficulties with reading, writing, numeracy, communication, or using digital tools IIT will offer tailored support options, which may include a Support Plan or referral to additional resources.

If you require assistance at any stage, please refer to IIT's Student Support and Welfare Policy for a full outline of available services. You may also contact our Student Support Team in person at reception or via email at sso@iitraining.vic.edu.au or support@iitraining.vic.edu.au.

As part of the PTR, students are also encouraged to inform IIT of any religious or cultural needs such as prayer breaks or fasting requirements so appropriate support or adjustments (including access to our on-campus prayer room) can be arranged.

The pre-training review ensures that IIT:

- understands the student's reasons for undertaking the course.
- ensures the suitability of the training for the students.
- understands the student's current competencies and, therefore provides opportunities for these to be assessed.
- provides students with information necessary for them to make enrolment decision and to ensure that students reasons for undertaking qualification with IIT aligns with their previous experience in particular sector (If any), educational and career goals.
- identifies possible Recognition of Prior Learning (RPL) and/or Credit Transfer (CT), student's English level, oral communication skills, knowledge on Language, Literacy, Numeracy and Digital (LLND) skills.
- check if the training and assessment strategies employed to deliver the course suits the student's needs, and

- provides relevant support required for the student to succeed in the course.
- Identify and arrange any necessary academic, digital, language, or wellbeing support for you to succeed.

International Institute of Training Pty Ltd

necessary information to the student required to make enrolment decision.

7. **For example: If students have answered “No” or have not answered the questions in the PTR form**, Enrolment officer or representative will provide students with true and accurate information so that students can make an informed decision about their enrolment in the courses at IIT.

Language, Literacy, Numeracy and Digital Skills (LLND) Assessment

Students undertaking courses at IIT must possess sound language, literacy, numeracy, and digital skills, as these are essential for successfully completing course-related tasks, assessments, communication, and the use of digital learning platforms.

- **Language skills** are necessary for understanding instructions and engaging in verbal communication.
- **Literacy skills** are required for reading course materials, writing assessments, and interpreting information.
- **Numeracy skills** are important for performing calculations, measuring, and managing tasks involving numbers.
- **Digital skills** are essential for navigating online systems, participating in e-learning activities etc.

Based on the outcome of the review, students may be identified as requiring internal or external support services, and individual advice will be provided regarding the suitability of the chosen course.

All students are required to undertake this LLND assessment as part of the enrolment process.

Important Information for Students

Please read the below given information carefully before signing the application for admission form. Students may contact IIT for any further information or email us at info@iitraining.vic.edu.au. It is advisable to read Student Handbook available on IIT's website for detailed information.

Diversity and Inclusion Statement

IIT is committed to creating a culturally safe, inclusive, and respectful learning environment. We honour and acknowledge the First Nations people of Australia- the Aboriginal and Torres Strait Islander peoples as the Traditional Custodians of the lands on which we learn, teach, and live.

We value the diversity of our students and recognise the unique contributions of individuals from all backgrounds, including culturally and linguistically diverse (CALD) communities, people with disability, LGBTIQ+ individuals, and people of all faiths, genders, and socio-economic statuses.

We are dedicated to ensuring that every learner feels welcomed, supported, and empowered to succeed through inclusive practices and equitable access to education and support services.

Course Monitoring and Attendance Policy

IIT has a Course Monitoring and Attendance Policy which states that the students are required to maintain satisfactory course progress throughout the course. Students are also required to attend their classes and maintain 80% of attendance throughout the course. Low attendance implies that students might not be able to complete their course on time and this will lead to unsatisfactory course progress. Hence, students are required to attend classes in accordance with course timetables to make satisfactory course progress. Under the Education Services for Overseas Students Act 2000 and the National Code 2018, IIT is required **to report unsatisfactory course progress** (failing to complete at least 50% of units for two consecutive study periods) **to the Department of Home Affairs** (DHA) via PRISMS when students are at risk of breaching their Visa requirements. If you continue to fail the course progress requirements for two consecutive study periods, you will be reported to the Department of Home Affairs.

Satisfactory course Progress: where a student can meet course progress requirements for a study period as identified in the Training and Assessment Strategy for each course. Satisfactory course progress is defined as successfully completing or demonstrating competency in at least 50% of the units in a given study period.

Note: Students will not be reported based on attendance. However, low attendance may lead to unsatisfactory course progress which can lead to you being reported to the DHA.

If an overseas student is not attending scheduled classes but is making satisfactory progress in their course, then the course duration set may not be suitable for that student—because this may mean that they already have the skills, knowledge, and experience to progress in their course without receiving structured training.

IIT will reduce the duration of the course to the minimum duration required, given the student's existing skills and knowledge, while maintaining a minimum of 20 scheduled course contact hours per week.

For qualifications that require practical training: Students must attend all theory classes and practical classes to fully develop their skills. Student's practical training attendance will be monitored closely, and students missing practical classes will be treated on a case-by-case basis. Students missing more than one practical class will not be allowed to sit in re-assessment but will be required to repeat the units as it will not be possible for students to develop the required skills without attending practical classes.

For detailed information, kindly refer to the Course Monitoring and Attendance Policy available on the website or refer to the Student Handbook.

Transition of Training Products and Provider Changes

IIT is committed to transparency and compliance with the Standards for RTOs 2025 and the National Code 2018. If any training product is superseded, deleted, or expired during your enrolment, or if operational changes occur that may affect your studies, IIT will notify you as soon as practicable.

Where applicable, you will be transitioned to an appropriate replacement course within the allowable transition timeframe as published on the National Register (training.gov.au), unless you complete your current course before the transition period ends.

Please note that changes to training products or institutional operations may also result in adjustments to the course duration, fee structure, or delivery mode. Any such changes will be communicated clearly, and your rights under the ESOS Act 2000 and related policies will be upheld.

Fee Payment

a) The initial tuition fee, application fee and material fee (if applicable) as stated in the offer letter must be paid in advance before the commencement of the course for confirmation of enrolment at the institute.

b) Students are not required to pay more than the initial tuition fee amount as stated on the offer letter (or 50% of the tuition fee) before the start of the course. However, students can pay more than 50% if they wish to do so. Any amount of fees paid before the start of the course will be reflected on the Confirmation of Enrolment (COE).

c) Any remaining tuition fees can be paid through payment plan arrangements. All students are required to understand and sign the fees agreement which states the next instalment amounts with the due dates. All due dates on the tuition fees will be kept at standard 15th of every month.

d) Students must pay full tuition fees for each term by the due date or as specified in the invoices unless any other payment plan/arrangement is agreed with the institute.

e) Tuition fees will be payable to the Institute by a bank draft or telegraphic transfer (or other approved payment options) in Australian dollars as agreed by the institute.

f) Students must pay their fees directly to International Institute of Training (IIT). Students should not pay the fee to the agent and/ or third party in relation to the application for enrolment.

g) IIT does not engage third-party providers for delivering services on its behalf.

Reminder letter

In case the student's instalment falls on a particular month, a friendly email reminder along with the first warning letter will be issued to the student after 7 working days of the date when the student has missed the payment i.e., 7 working days after the "due date". Students may also be informed via phone call or post for initial reminder.

After sending the first warning letter, if the student fails to make the payment again and does not communicate with the accounts department, a second warning letter will be issued to the student after 7 Working days of sending the first warning letter. Students will be provided with 7 more working days to make the payment or to request an extension. Students may call IIT on 1300 651 348 for any further enquiries.

h) If a student fails to make the payment of the outstanding fees even after a final notice and/or email, an "Intention to cancel Enrolment" letter will be sent to the student. Student's enrolment will be cancelled after 20 working days of final notice. The suspension of enrolment will cause the following restrictions to apply:

- i. Loss of access to the institute library service, Learning Management System, classroom, computer system including internet and others.
- ii. Loss of access to enrolment records, results, and academic certificates.
- iii. Inability to attend any classes where this may result in students having to repeat missed work and/units.

The student has the right to appeal against the decision from the date of letter. Refer to the complaints and appeal policy for information available on IIT's website.

If the student decides to appeal against the decision, his/her enrolment will be kept active until both internal and external appeal process is completed.

i) If students choose not to appeal against the institute's decision and make no further payment or do not contact the institute concerning their debt, their enrolment may be cancelled, and the student will be reported to the Department of Home Affairs for non-payment of fees.

j) If the student decides to not appeal against the decision and accepts to pay the fees, then the student will be required to pay the full dues along with a late fee of \$50 per week.

k) Students will be given total 3 attempts including 1 original plus 2 reassessments. Cost of reassessment will be as follows:

- 1st Original submission: Free of cost
- 2nd Reassessment fee: Free of cost

International Institute of Training Pty Ltd

- 3rd Reassessment fee: \$500

If student fails in the 3rd reassessment, then students will have to repeat unit. Repeat unit fee- \$500.

l) Students who enrol in additional courses will be required to pay a separate tuition fee as specified for the course.

m) The tuition fee charged to the student will remain the same provided the student remains enrolled in the same course. If the student transfers the course, the tuition fee for the transferred course will be applied.

Please Note: Fees are subject to change without prior notice. However, fees will not change after the signed agreement has been received for the duration of the same course. Please contact the student administration for updated fees and charges.

n) If the student's visa status changes (e.g., becomes a temporary or permanent resident), the student will continue to pay full overseas student fees for the duration of the enrolled program.

o) IIT reserves the right to engage any third party to recover any outstanding fees payable to the institute. The cost incurred by the Institute for engaging a third party to recover such outstanding fees will be charged to the student.
